BARRE DAILY TIMES

Subscriptions: One year, \$3; one month, 25 cts.; ningle copy, I cent.

Niembers of the Publishers' Press.—The latest improphic news from all parts of the world are curved by the Daily Times up to the hour of ting to press.

Frank E. Langley, Publisher.

Published Every Weekday Afternoon. Entered at the postoffice at Burre as second class matter.

FRIDAY, NOVEMBER 6, 1903.

The average daily circulation of the Barre Daily Times for the week ending Saturday was

copies, the largest paid circulation of any daily paper in this section.

"Times, of Course"

That's what all the newsboys say when asked which Barre paper sells the best. There is no doubt about it.

The month of October, 1902, in and about Burlington, was the wettest October in 10 years and one of the coldest and most unpleasant on record .-- Burlington Free Press.

Which the Free Press may explain by Items of Interest Gleaned, From Our the liquor policy of the state.

with the public schools, and when we read hemorrhage, and his physician thinks he that 16,000,000 scholars, or 20 per cent, of is gaining strength. the total population of the United States, are enrolled in those schools we heave a sigh of relief. Would that the number were larger!

The principle of employing girls as telegraph messengers is wrong, and the protectest that is being made against it in Boston is well-founded. At the present time the girls are symployed both night, and day, are symployed both night, and day.

Harry O. Smith of Stowe has just received his commission as second lieutenant in the United States marine corps and will enter the service at once. The young man is 22 years old, and was designated Butter and Errors. A new congirls are employed both night and day, and although the Western Union company promises to take them off the streets nights, the whole curse of the thing is by nights, the whole curse of the thing is by no means removed.

Roosevelt. McClellan's success in the lly and friends. New York mayoralty election has given him a certain prestige which blds fair to give him the Democratic presidential nom-

with St. Johnsbury Academy in refusing person to whom you wish to give the Com-"to play foot ball as it is played at Bar-panion, with \$1.75, the annual subscrip-"to play foot ball as it is played at Bar-re." Goddard foolishness has, therefore, re." Goddard foolishness has, therefore, broken up the proposed schedule of what promised to be a very interesting tri-angular series of games. - St. Johnsbury Re- taining the Christmas number, the Com publican.

That is rich. Verily, Vermont's Dooley is "outdooleying" himself. Pray, neighbor, what would you, lay to the "foolishness" of Goddard the breaking up of the maining weeks of 1900 from the time of subscription, also the Companion Calentri-angular league? Fie, sir! Do you re- dar for 1904, lithographed in twelve colors collect who cancelled the games and do and gold. you know the really loner cause of the cancellation? You have in mind the excase given to the Goddard team, but that was not all. If Goddard's "foolishness" consisted of having a foot ball team cap. Mass. able of showing its rivals how the game should be played then Goddard will have to plead gullty to being "foolish." But that was not the cause of the cancellation of the games. It was the kindergarten spirit displayed by the two teams in question, who realized that the local team was a strong one, and, to prevent the humiliation of an overwhelming defeat, hid be Apples, Baldwins and Spys, hind their breastworks and cried "professionalism."

Barre, Vermont.

Equal Distribution of Space!

Now Listen to This!

A perfect Shoe should contain not a single particle of space more than necessary, otherwise the Shoe becomes large and ungainly. The Dorothy Dodd Shoe leaves more space for the foot than any other Shoe we know of, yet the Shoe itself is absolutely smaller than the ordinary Shoe. That is because it equally distributes space.
